- Outdoor Walking

Tech to work on

Education

Manchester Metropolitan University (2015-2018)

I am currently in my final year of university studying BSc Web Development and will graduate in the summer of 2018. Here are some of the topics I am studying:

- User experience design
- Agency ready
- Systems Thinking and Organisational Resources
- Individual web project
- Website Development

- Media production
- Web programming
- Digital project management

St John Rigby sixth form college (2013-2015)

- History (B)
- I.T (A)
- Maths (C)

St Edmund Arrowsmith Catholic High School (2008-2013)

- 9 GCSE'S (8 being A-C) (Maths – A, Science – B, English – C)
- Others include (History – B, RE – A, IT – B)

Personal Skills:

- I am a good team player. I make sure the team comes before myself.
- I have a driving licence which I have had for over 2 years.
- I teach myself new things, being tech or none tech.
- I try to think I am a person people can easily get on with.
- I have worked as a team on numerous occasions.
- I always finish what I start even if I need to give 100%.
- I take criticism on board and rectify the problems.
